**IV William W. Day : The Running Wounded: A Personal Memory of the Korean War** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Running Wounded: A Personal Memory of the Korean War:

1 of 1 people found the following review helpful. The Running WoundedBy SquirIf you are wanting to read about the Korean War and the men of Thermoplis, Wyoming this is a good book. The gentleman who wrote this was in the war with my Uncle so now I know some of the things he went throught. Some of our service men want talk what they went throught during the war so this book is an insight into their war experience.
