**Gerald L. Earley : The Second United States Sharpshooters in the Civil War: A History and Roster** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Second United States Sharpshooters in the Civil War: A History and Roster:

0 of 0 people found the following review helpful. Very general history By Perry M Frohne Good book, but a very general history with very few photographs of soldiers, but plenty of general officers. I was hoping with that title it would be more detailed with individual soldier stories and images. Would recommend for the curious, not the

researcher. 1 of 1 people found the following review helpful. Nice review of the 2nd SS By Anthony Swierzbinski Earley does a nice job covering the history of the 2nd US Sharpshooters, mixing together primary sources and letters with his own conjectures. The result is a highly informative and entertaining history of one of the Civil War's most famous units. A must-read for any sharpshooter enthusiast, as well as any Civil War buff. 1 of 1 people found the following review helpful. Sharpshooter hits the mark By C Eiser I was very impressed with the detailed information on Civil War sharpshooters. The weaponry that was used as well as the training the sharpshooters went through, set a standard for our future sharpshooters and protectors of our nation.

The Second U.S. Sharpshooters was a hodgepodge regiment, composed of companies raised in several New England states. The regiment was trained for a specific mission and armed with specially ordered breech-loading target rifles. This book covers the origin, recruitment, training, and battle record of the regiment and features 32 photographs, four battlefield maps, and a regimental roster.

"A model regimental history...strongly recommended." --Civil War News "Unique." --America's Civil War About the Author Gerald L. Earley is a lifelong student of the Civil War and has personally visited all the major battlefields of the Second U.S. Sharpshooters. He is a graduate of Wichita State University and a veteran of the Vietnam War.
