From Brand: Northeastern : The Selected Letters Of Charles Sumner (v. 1 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Selected Letters Of Charles Sumner (v. 1 2):

0 of 0 people found the following review helpful. A Valuable Edition to any LibraryBy Enjoys A Good ReadI am so very fortunate! I thought I had ordered the papers of Thaddeus Stevens and consider this accidental purchase a divine guidance. As a historian, and fan of 19th century American history, this book will be an essential companion to my growing library. I bought it used and the two volume set was in MINT condition. I was able to use this book as background on my research for the abolition movement and the 13th amendment. I realized as I read the section on the caning of Charles Sumner and found myself rivited and horrified by the account that I had a genuine gem.

Will be shipped from US. Used books may not include companion materials, may have some shelf wear, may contain highlighting/notes, may not include CDs or access codes. 100% money back guarantee.
