**Robert Grandchamp : The Seventh Rhode Island Infantry in the Civil War** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Seventh Rhode Island Infantry in the Civil War:

0 of 0 people found the following review helpful. Excellent job with RI Civil War historyBy Cindy PTRobert has done a fantastic job of writing a book that is very interesting to read but is also detail-oriented and factual about RI Civil War history. He has done extensive research to back up every word he says. I highly recommend this book, if you have any interest in this very specific topic.

Suffering a casualty rate of more than 80 percent by the war's end, the Seventh Rhode Island participated in some of

the fiercest battles of the Civil War. From its muster in the fall of 1862 through the death of the Seventh's last surviving veteran in 1939, this regimental history follows the Seventh from Providence, Rhode Island, through the swamps of the Mississippi to the grueling Overland Campaign, providing a gripping historical narrative enlivened by the words of those who were actually present. Researched primarily from firsthand sources such as letters and diaries, it includes period photographs, portraits and sketches.

"A fine job." --Civil War News.  
About the Author Robert Grandchamp is the author of numerous articles on Rhode Island's Civil War past. A graduate student at Rhode Island College in Providence, he resides in Warwick.
