Dale Edwyna Smith : The Slaves of Liberty: Freedom in Amite County, Mississippi, 1820-1868 (Crosscurrents in African American History) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Slaves of Liberty: Freedom in Amite County, Mississippi, 1820-1868 (Crosscurrents in African

American History):

4 of 4 people found the following review helpful. The Slaves of Liberty is a must for Amite Co. ResearchersBy A Customer
"The Slaves of Liberty" is a well written, and well researched book. The author goes to great lengths to document sources and this will be of great help to others researching their family. I do take issue with the author's simplistic statements concerning the start of the Civil War. However, I still found this to be a must read.
2 of 3 people found the following review helpful. Excellent book for genealogistsBy Lotus Cirilo
This book is well written, well documented. Even if you are not researching your slave ancestry, you will find references to slaveholders and other residents in the Amite County, Mississippi area. It's a small book for the price, but I found it well worth it for adding rich detail to my family history research out of Amite County.

First published in 1999. Routledge is an imprint of Taylor Francis, an informa company.
