Charles Smith : The Stragglers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Stragglers:

1 of 1 people found the following review helpful. Read this fascinating story By Kindle Customer Charlie Smith is a great Bluegrass guitar picker and singer and he has written a true account of a few of his days spent fighting the Korean War. Read this fascinating story for yourself to learn what members of our military confronted then, as now.

Help Charlie to locate others who might help him discover names of his fallen comrades. You will enjoy this story, as I did. It is told from a home-spun perspective of a gracious member of the Kentuckiana Bluegrass community. You will be glad that you add this book to your library. I am.0 of 0 people found the following review helpful. WAR IS HELLBy Wendell KellyI enjoyed the book. I know it is authentic because my cousin was there and is named in the book. What a useless war.0 of 5 people found the following review helpful. Struggles and STRAGGLESBy Don NavarreteIts hard for the average citizen to under stand what goes on in war. Most people need to be educated about the trials that these men- often teenagers- have to endure. Life or death is not a choice.

Armed with M1 rifles, bayonets, and a few hand grenades, young soldiers from different units, operating without command, come together as The Stragglers. Take a journey into the trenches in this fascinating true story of a group of misplaced soldiers fighting courageously as other American troops withdrew from the city of Chinju, South Korea. Charles C. Smith recalls the story of his seventeen-year-old self, the lone survivor from a battle that took place more than fifty years ago. A rag-tag group of soldiers solidifies as The Stragglers. As lives are lost, honor and courage are upheld.
