Excerpt from *The Surrender of Napoleon: Being the Narrative of the Surrender of Buonaparte, and of His Residence on Board H. M.S. Bellerophon, With a Detail of the Principal Events That Occurred in That Ship Between the 24th of May and the 8th of August 1815* The text and notes of the edition of 1826 have been reprinted verbatim. Sir Walter Scott's notes on the ms. Of the Narrative are among the papers at Lindores. They consist chiefly of verbal criticisms on Sir Frederick's original rough draft. Unfortunately it is no longer in existence, and most of Sir Walter's notes cannot be followed without it. A few of his comments are printed as footnotes, in square brackets, and a portion of his ms. Is reproduced in facsimile at page 230. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
