**Ragnar Benson : The Survival Retreat: A Total Plan For Retreat Defense** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Survival Retreat: A Total Plan For Retreat Defense:

Win the battles of defending your retreat by avoiding them! Learn how to harden your city or rural refuge by locating it well and disguising it. "The best defense is obscurity, unobtrusiveness and silence," Benson writes. Chapters are Who Is the Enemy?, What If It Comes to a Fight?, Beyond Firepower and more.
