Office of the Inspector General : The Tailhook Report: The Official Inquiry into the Events of Tailhook '91 before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Tailhook Report:

The Official Inquiry into the Events of Tailhook '91:

0 of 0 people found the following review helpful. What happens in Vegas...By RandyCeeThis is a Defense Dept investigation of the famous Tailhook scandal of 1991 in Las Vegas. An interesting read for the military enthusiast, The event came at a time when the roles of men and women in the military, and in society, were being defined. Many careers were ruined by the activities, both male and female. I would recommend this in conjunction with the book "Fall from Glory: The Men Who Sank the US Navy", by Greg Vestica, which is an inside look at how the US Navy operates.0 of 0 people found the following review helpful. Five StarsBy DawnRec'd book as described and in time listed. Thank you.

The Rustle of Language is a collection of forty-five essays, written between 1967 and 1980, on language, literature, and teaching-the pleasure of the text-in an authoritative translation by Richard Howard.
